### A Record of Success

- New City library: on time, under budget, debt free
- A second artificial turf field at Sutherland School
- More housing for seniors and people with disabilities
- Heritage preservation for Ridgeway School
- North Shore Spirit Trail connecting our community

### A Vision for the Future

Much accomplished, more to do. This election is about continuing our record of success into the future with a new National Maritime Centre on our waterfront, expanding our trail network for pedestrians and cyclists, and working in partnership to achieve the goals of our community. The City has a lot to be proud of, but we can make it even better.

## Re-elect

## Sam Schechter

Dear Neighbours,

Three years ago, I ran for City Council on a platform of livability, affordability, and sustainability. Since then, the City has had success in all of these areas and I want to continue working for you to make sure that we continue to be a community where we can all live, work and play.

I want to thank you for your support in the past and hope that I can count on your vote on election day.

Yours truly,

*Sam Schechter*

### Listening to You

During my term on City Council, I have listened to residents and worked hard to find solutions that work for all of us. And I'm here to say, I want to do it again.
